

OUR KIDS. OUR FUTURE.

The **Glendora Education Foundation** is a 501(c)3 organization whose mission is to provide the best education possible for every student in the Glendora Unified School District.

The origins of the Foundation began in 2003, with a group of parents exploring the idea of working together to enrich education for the children in the Glendora Unified School District. Eager to put the idea into action, they formed a nonprofit organization to provide financial and volunteer support for all the schools in the District.

Since then, the Foundation has served as a liaison between the community and our schools, and is an effective channel through which the public can support the District's nine schools and 7,600 students. To date, the Foundation has raised and donated over \$4.5 million to Glendora's schools. These contributions have positively impacted schools by supporting many important programs and services for all grade levels.

FUNDRAISING

Organizing and implementing fundraising is essential to accomplishing the Foundation's mission. We are grateful for the support from the Glendora community which makes it possible for the Foundation to continue funding these programs and enhancements throughout the Glendora Unified School District.

Funding comes from four primary sources:

**WE DONATED \$315,000
IN THE 2017-2018 SCHOOL YEAR!**

WE NEED YOUR CONTINUED SUPPORT!

JOIN US TODAY and make a donation, volunteer your time or become an advocate! Our kids need **YOU** to be successful in the 21st century!

Glendora's students must have the technology and tools for a modern education. Our schools are historically known for excellence, but are falling behind neighboring districts in 21st Century, STEAM-focused, and technology-driven education. **Help change this now! Every gift, volunteer hour and voice of advocacy helps Glendora's students prepare for higher education and careers.**

Visit our website to discover how you can become involved in our mission!
